FACILITY ICONS

Located along the mighty Zambezi River where Zimbabwe, Botswana, Zambia and Namibia converge, Imbabala Zambezi Lodge offers an intimate relaxing environment within close proximity of Victoria Falls. Imbabala gives guests an opportunity to unwind in the seclusion of a private national parks concession while observing exceptional game and bird life in the region.

ACCOMMODATION

Imbabala Zambezi Safari Lodge offers exclusive accommodation for only 20 guests in nine individual stone and thatch lodges with en-suite facilities. Each lodge is beautifully positioned with spacious verandas opening onto sweeping views of the Zambezi River. Imbabala has one family lodge (sleeps 4), two double-bed and six twin bed lodges.

DINING

Chefs prepare menus that feature fresh, seasonal foods, with most of the salad ingredients and vegetables grown organically from the large vegetable garden.
