#### To Our Guests with Allergies

Our menu offerings are subject to change and may use ingredients containing common food allergens such as peanuts and other tree nuts, seafood including fish, molluscs and crustacean, wheat/gluten, eggs, dairy, soy, alcohol and sulphites. We advise that you should always indicate to your waiter of any special dietary requirements, including intolerances and allergies, regardless of whether you are a returning guest or not. Where possible, our staff will advise you on alternative dishes. However, while we do our best to reduce the risk of cross-contamination in our restaurant, due to the hand crafted nature of menu items the variety of procedures used in our kitchens, the self-service nature of our buffets and that the farming, handling and transportation of food items prior to their arrival in our kitchens is beyond our control we CANNOT guarantee that any of our dishes are free from allergens and therefore cannot accept any liability in this respect. Guests with severe allergies are advised to assess their own level of risk and consume dishes at their own risk.
